A NOTE FROM OUR EXECUTIVE DIRECTOR

Dear Global Glimpse Community,

Across the country, economic inequality and rampant school segregation make it rare for young people to be in community with peers who are different from them. Add addictive technology and algorithms that reinforce ideologies into the mix, and you have a recipe for division.

At Global Glimpse, we believe a different pathway is possible through the power of shared experience. In 2023, we ran 35 international immersion programs and at least ten different public high schools were represented on each trip. Young people want to break the mold, but they need support to step out of their comfort zone, overcome fear, and let go of their smartphones to connect with new people and be present.

We see the need in this moment, and we are doubling down on our commitment to bridge divides. In 2023, we grew our program impact by 60%, expanded to partner with 18 new public high schools, launched our first new region in five years in Los Angeles, strengthened our curriculum deepening education themes of environmental justice, indigenous worldviews, and immigration, and expanded our global team.

We see tremendous challenges around the world from war to natural disasters, political division, and a youth mental health crisis. Facing these challenges reaffirms our commitment to preparing the next generation of leaders to work across differences to find solutions. We know that we cannot do this work alone. With the return of travel this year, we saw an increased focus on inclusivity and equity in travel. We are continuing to lead and convene around equity in travel, launching a new partnership with Expedia Group and driving impact across the travel industry.

I hope our annual impact report gives you hope and you see that our solutions are working. With your support, we are excited to continue to lead this movement!

Sincerely,

A handwritten signature in black ink, appearing to read 'Eliza Pesuit'.

Eliza Pesuit
Executive Director, Global Glimpse

OUR WORK

TRAVEL

Travel is one of the most powerful forms of education with long-lasting impacts that can positively change the trajectory of a young person's life.

+ EQUITY

There is an enormous gap in who has access to travel opportunities in our country. The vast majority of high school students who travel come from affluent backgrounds and identify as white. We flip this script by partnering with schools and community organizations serving students from racially and socioeconomically diverse backgrounds.

+ DIVERSITY

Our student travel groups are diverse by design, bringing together young people from different schools, neighborhoods, and backgrounds. This environment provides students with the opportunity to learn as much from one another as they do from the people and places they connect with on their travels.

= OUR UNIQUE IMPACT

Our rigorous evaluation shows that Global Glimpse programs consistently build empathy, agency, and global perspective, empowering students to succeed in college and careers and drive positive change in their communities. The long-term impact of our program ripples far beyond their Global Glimpse experience.

8,420

STUDENTS SERVED
SINCE 2008

"Before we can truly change the world, we have to get to know the world and allow the world to get to know us."

**- Cristina Craner, Global Glimpse Alumna
Oakland High School**

OUR PROGRAM MODEL

PROGRAM
PILLARS

CULTURAL IMMERSION

YOUTH LEADERSHIP

SERVICE-LEARNING

1

PRE-TRIP WORKSHOPS

Virtual and in-person enrichment programming during the school year establishes foundational knowledge in the areas of youth leadership, globalization, and cultural awareness and prepares students for their summer international travel experience.

2

TRAVEL EXPERIENCE

Students then spend two weeks during the summer immersed in the daily life of a developing country. The international travel experience focuses on leadership development, cultural immersion, and service-learning.

3

ALUMNI PROGRAM

Following their international travel experience, students participate in a follow-on leadership program. Alumni mentor the next generation of students at their school and gain exposure to a wide range of college and career mentors.

GROWING OUR IMPACT

We launched the first Global Glimpse programs in partnership with 10 low income high schools in the San Francisco Bay Area in 2008. Over the past 15 years we have partnered with 100 high schools and youth-serving organizations and expanded our programs across the U.S. and Latin America.

Over the years, we have weathered countless challenges, blazing a trail to become the leader in youth travel equity and laying a strong foundation for future growth that is sustainable and impactful.

ACCESS

We commit to making experiential global education accessible to students from all socioeconomic backgrounds.

SUSTAINABILITY

We build long-term partnerships with U.S. high schools, and we invest in communities in Ecuador, Costa Rica, Panama, and the Dominican Republic.

SCALE

We leverage a sliding scale fee-for-service model and strong philanthropic and community support to scale our impact.

STUDENTS SERVED ANNUALLY (2008-2023)

2023 PROGRAMS

Global Glimpse is more than travel. We work to prepare our students intellectually and emotionally for a transformative international experience. Accepted students participate in pre-trip workshops that prepare them to engage in deeper learning during their summer travel programs. We also provide teacher training and follow-on alumni programming to create broader school and community impact.

\$2 MILLION

**SCHOLARSHIPS
AWARDED IN 2023**

2023 BY THE NUMBERS

OF STUDENTS SERVED

- **273** San Francisco Bay Area
- **132** Chicago
- **84** New York
- **45** Massachusetts
- **43** Los Angeles
- **132** Partner Organizations and Independent Students

WHO WE SERVE

Our student demographics represent the socioeconomic, racial, and cultural diversity of our partner schools and organizations across the country. We provide need-based scholarships on a sliding scale, taking into account family income, dependents in the home under 21, and the economic resources available in the student's community. Students with family income below \$70,000 are considered low-income based on the cost of living in the cities where we operate.

STUDENT DEMOGRAPHICS

LOS ANGELES LAUNCH

This year we launched our first new region in five years bringing Global Glimpse to Los Angeles. With charitable support from Browning West, we built partnerships with a diverse portfolio of school and community partners to bring students across LA together through travel and grow our impact in California.

Author of Revolutionary School Culture
University Pathways Public Service Academy
South Central Los Angeles

INTERNATIONAL PROGRAMS

Global Glimpse opens a window into another world for students from all backgrounds and provides a unique opportunity to bridge divides. Students travel in diverse delegations and each group is supported by US educators and international program staff. The international experience centers around cultural immersion, leadership development, and service learning.

We work closely with local community partners to develop powerful programming that allows students to explore a range of topics through the lenses of history, culture, politics, poverty, education, development, and business. The international program culminates in a “Community Action Project” (CAP) designed and led by students and executed in partnership with a local community organization.

COMMUNITY
ACTION PROJECTS

DOMINICAN REPUBLIC

The Dominican Republic (DR) is an island nation and one of the Caribbean’s most geographically diverse countries with energetic people and a vibrant, music-filled culture. We run programs off-the-beaten path, in the central mountains of Jarabacoa and Constanza. Our programs in the DR provide students with perspective on education, global business, politics, history, and culture with a special focus on migration and inequality. Students are exposed to the complex relations between Haiti and the DR, as well as the impact that high immigration rates to the U.S. has on the economy and social life in the DR.

COMMUNITY
ACTION PROJECTS

MEET SUNILDA

Sunilda is one of our host mothers for Community Day. Her house (pictured here), in the community of Cañada de las Palmas, is on a mountain bluff that overlooks the city of Constanza, a breathtaking view that she enjoys sharing with students when they finish helping her with the daily chores. She looks forward to spending the day with students because her husband passed away and all six of her own children have moved to other cities, so she cherishes the company and being able to teach our students important skills and life lessons. She is holding a greca for brewing coffee, which she shares with our students.

MEET KARLA

Karla is an inspiring dairy farmer committed to sustainable farming. Karla took over her family's dairy farm in her early twenties and never looked back. She has dedicated her life's work to changing dairy practices, including creating carbon neutral milk and using farming methods that have a positive impact on the animals. Our students meet Karla on Local and Global Business Day, where she teaches our students the importance of conservation and protecting the environment, as well as the importance of contributing to the local economy. Our students also get to participate in milking her cows and making cheese!

COSTA RICA

Costa Rica is a beautiful, peaceful Central American country with some of the greatest biodiversity on earth. Our programs go beyond the natural beauty to focus on community development, conservation, and environmental justice, which are critical issues for the health and sustainability of our planet. Through meaningful engagement with local communities, students learn the principles and practices for sustainable living and increase their awareness of climate issues to minimize their impact on the natural world.

ACTION PROJECTS

ECUADOR

Sitting on the equator between Colombia and Peru, Ecuador boasts breathtaking scenery, biodiversity, a strong indigenous presence, beautiful artisan crafts, and bustling markets. We launched our programs in Ecuador in 2015. Our diverse sites in the Andean highlands expose students to the high-stakes interplay between environmental preservation, economic development, and indigenous worldviews.

Our Ecuador programs have a strong focus on indigenous rights, along with history, culture, global business, and education. Students grapple with the positive and negative implications of economic progress and its impact on indigenous communities and the environment.

COMMUNITY
ACTION PROJECTS

MEET DON SEGUNDO

Segundo Sucuy's Grandmother was the midwife of her community. She assisted with cleansings and Andean healing practices, but her primary role was helping women give birth because they lacked access to public healthcare. Don Segundo inherited the love and legacy of Andean medicine from her, and he is the only one in his family who has been practicing these traditions for over 21 years. He takes great pride in Cacha (the community our students visit) because he has witnessed its transformation, starting from the abuse and indigenous enslavement to the liberation and recognition of Cacha as the first Indigenous autonomous community in Ecuador. Students participate in an Andean cleansing ceremony and hear the stories of courage, progress, and community when they visit "Don Segundo" in his beloved community of Cacha on Indigenous Worldview Day.

OUR IMPACT

Through our program, students develop a deep sense of personal and social responsibility and the empathy, agency, and perspective they need to succeed in college and careers and drive positive change in their communities.

We diligently evaluate the impact of all of our programming on students, parents, educators, and community partners. We incorporate feedback and learning from annual post-program and alumni surveys to improve each component of our program. Our surveys evaluate short-term outcomes in participants' awareness, agency, and engagement, as well as long-term outcomes in global competence, college persistence, and leadership.

As we prepare for more significant growth, we are increasing our focus on alumni engagement and measuring the long-term impact of our programs.

STUDENT IMPACT

Global Glimpse builds awareness, agency, and engagement, and through our programs, students realize their potential to drive positive change. We empower students to develop the skills they need to think critically, take on leadership roles in their schools and communities, and build strong connections with people from very different backgrounds.

AWARENESS

Students understand the relationship between oneself and others, as well as issues of local and global concern. They are inspired to expand their global awareness and develop a sense of compassion for others.

AGENCY

Students demonstrate the ability to display courage and commitment. We empower young people to develop skills that support them to take on leadership roles in their schools and communities.

COMMUNITY ENGAGEMENT

Students realize their potential and drive positive change. Students develop an increased capacity to understand and act on issues of local and global significance.

ACADEMIC ENGAGEMENT

Students develop perspective on inequalities in education across the U.S. and in developing countries. Students return home more dedicated to their education and career aspirations.

CULTURAL EMPATHY

98%

built relationships with Glimpsers from different cultural, ethnic, racial, and/or socioeconomic backgrounds.

GLOBAL CITIZENSHIP

96%

learned how to empathize with people they met in-country from different cultures or backgrounds.

CONFIDENCE

94%

developed confidence to step out of their comfort zone and try new things during their Global Glimpse experience.

CRITICAL THINKING

96%

value and seek multiple perspectives with greater intention.

GIVING BACK

93%

care more about issues in other countries after being a part of the Global Glimpse experience.

TAKING ACTION

89%

believe they have a responsibility to make their community and the world a better place.

ACADEMIC AMBITION

80%

have set higher academic goals for themselves in school after Global Glimpse.

HIGHER EDUCATION

78%

feel more enthusiastic about applying to and attending college after returning home from Global Glimpse.

TEACHER IMPACT

Global Glimpse Leaders (GGLs) are teachers who champion the Global Glimpse program at our partner high schools. We provide comprehensive training and ongoing support for GGLs to lead our pre-trip workshop curriculum and travel with students on the international summer immersion program. Since 2008, we have trained and supported over 700 GGLs to become more effective educators.

700+

GLOBAL EDUCATORS & ADMINISTRATORS

from the San Francisco Bay Area, Los Angeles, New York, Chicago, and Massachusetts have championed the Global Glimpse program to provide transformative travel opportunities to their students.

MOST IMPACTFUL EDUCATIONAL PROGRAM ELEMENTS

GG Leaders have consistently rated the following Global Glimpse program elements as the most impactful learning opportunities for themselves to participate in and facilitate.

STUDENT LEADER EDUCATION DAY OF THE DAY
“BIG LOVE” INDIGENOUS WORLDVIEWS “ROSES & THORNS” POVERTY DAY
GUEST SPEAKERS “LIVING LIKE A LOCAL” DAY TRAVEL JOURNALS
LIVING AND WORKING WITH A DIVERSE GROUP OF PEERS
NIGHTLY MEETINGS QUESTION GLOBAL BUSINESS DAY
3CS: COURAGE, COMMITMENT, COMPASSION OF THE DAY COMMUNITY
“WORKING IN AID & DEVELOPMENT DAY ACTION
COMMUNITY” DAY IMMIGRATION DAY PROJECT (CAP)
SMALL GROUP REFLECTIONS

90%

agree that Global Glimpse was a powerful personal and professional experience.

86%

improved their ability to work with and support students from diverse backgrounds.

87%

of teachers care more about issues in their local community because of their Global Glimpse experience.

75%

of teachers gained new curriculum elements and experiences that they plan to use in their classroom to enhance their teaching.

ALUMNI IMPACT

The Global Glimpse experience prepares students to navigate the social and emotional challenges of life after high school. Our alumni stay connected to their Global Glimpse experience by presenting to current Global Glimpse students at college and career summits, sharing their stories, and helping to guide younger students on their journey to college.

We partner with a range of companies and organizations to pipeline our college-age alumni into prestigious scholarships, fellowships, internships, and job opportunities. We have strong alumni engagement on our Leadership Councils across the country, alumni frequently travel as Global Glimpse Leaders, we have a formal alumni internship program, and a number of alumni are now members of our team.

HIGH SCHOOL GRADUATION

100%

of our alumni graduate from high school.

COLLEGE MATRICULATION

97%

of our alumni are accepted to and enroll in college.

8,000+

GLOBAL GLIMPSE ALUMNI

ALUMNI
COLLEGE
SUCCESS

85%

report Global Glimpse increased their comfort and desire to build relationships with people from different racial, ethnic, religious, and cultural backgrounds in college.

91%

report that Global Glimpse increased their openness to learning new things in college.

78%

report that Global Glimpse increased their ability to succeed in college (i.e. live and study with new/different people, handle academic rigor, and have more personal independence).

OUR PARTNERS

We believe in the power of collaboration and work closely with a range of philanthropic and programmatic partners to bring Global Glimpse to life. Our partners range in size from small community-based family foundations, to college preparatory programs, institutional funders, and multinational corporations. All of our partners share a strong commitment and vision to develop a new generation of diverse young leaders in the United States.

This year we were honored to have **Expedia Group** become our newest Lead Funding Partner, joining United Airlines and Away with a long term commitment to increase access and diversity in youth travel!

UNITED AIRLINES SPONSORSHIP

Global Glimpse and United believe in the power of travel to unite people and connect the world. Since 2018, United has been the exclusive airline partner of Global Glimpse, providing both cash and in-kind support to make our programs possible. United sponsors every single flight for Global Glimpse students, teachers and staff, and in 2023, they provided over 800 flights for Global Glimpse!

800+ 
flights provided in 2023

PASSPORT SCHOLARSHIP FUND

The Passport Scholarship Fund, is a special access initiative in partnership with Away. The Passport Scholarship Fund attempts to eliminate the financial barrier to international travel by covering the cost of first passports for any Global Glimpse student who needs one. In its second year, the Away Passport Scholarship Fund provided new passports to 221 Global Glimpse students, removing a critical barrier to international travel and opening a world of opportunity! This initiative is in addition to Away's generous travel scholarship grant and in-kind donations of travel suitcases for every Global Glimpse student. Away continues to demonstrate a deep commitment to our mission. Together, we are making transformative travel experiences accessible to students of all backgrounds.

SNAP GLOBAL OFFICE HOURS

We teamed up with Snap Inc., makers of Snapchat, to run the third annual Snap Global Office Hours Fellowship, a virtual career mentorship program for Global Glimpse alumni. Over the course of five interactive virtual sessions, Snap welcomed students into their London, Germany, Japan and US offices. With guidance from Snap team members, GG alumni had the opportunity to explore the culture of each office, learn how a global company operates, and hear about the core skills required to lead and succeed in the global economy.

COMMUNITY PARTNERS

We are proud to work with a strong community of institutional, corporate, and community partners to bring the Global Glimpse mission to life.

PARTNER ORGANIZATIONS

We work closely with college preparatory organizations to provide opportunities for their students to participate in our international immersion programs each summer.
